Commercialization of COVID-19 Vaccine

KEARNEY – Starting August 3rd, 2023 medicines and medical supplies that can be used to diagnose, prevent, or treat COVID-19 will only be available for purchase. Items previously purchased by the federal government, like vaccines, COVID-19 self-test kits, and personal protective equipment, will only be available through the health department until supplies run out.

At this time TRPHD has a limited supply of COVID-19 tests. Please contact us with questions regarding COVID tests or vaccines. Two Rivers Public Health Department will continue to offer vaccines to patients out of our office and at mobile clinics. The clinic schedule can be found at trphd.ne.gov. To schedule an appointment please call 888-669-7154.

ABOUT TWO RIVERS PUBLIC HEALTH DEPARTMENT

Two Rivers Public Health Department engages collaborative partners, community leaders and the public to promote healthy lifestyles, provide preventative education, assure environmental quality, and create more healthy and safe communities for all who live within the district.
